...

Design Patterns: Elements of Reusable Object-Oriented Software By Erich Gamma, Richard Helm, Ralph Johnson, John Vlissides Published Oct 31, 1994 by Addison-Wesley Professional. Part of the Addison-Wesley Professional Computing Series series.

Design Patterns: Elements of Reusable Object-Oriented ...

Design patterns: elements of reuseable object-oriented software. The book is an introduction to the idea of design patterns in software engineering, and a catalog of twenty-three common patterns. The nice thing is, most experienced OOP designers will find out they've known about patterns all along. It's just that they've never considered them as such, or tried to centralize the idea behind a given pattern so that it will be easily reusable.
